

A surreal space landscape. In the center, a large, smooth, orange planet is partially obscured by a system of concentric, glowing orange and yellow rings, similar to Saturn's. The background is a deep purple space filled with stars. In the upper right, a small, dark, cratered planet is visible. In the lower foreground, there are dark, jagged, rocky mountains. The word "GITHUB" is written in large, white, bold, sans-serif capital letters across the middle of the image.

A surreal space landscape. In the center, a large, smooth, orange-brown sphere (planet) is partially obscured by a series of concentric, glowing orange and yellow rings, reminiscent of Saturn. The background is a deep black space filled with stars. In the upper right, a smaller, dark, cratered sphere is visible. In the lower foreground, there are dark, jagged, rocky mountains or hills. The word "GITHUB" is written in large, white, bold, sans-serif capital letters across the middle of the image, superimposed over the rings and the central planet.
